

MALARIA TRAVEL ADVICE AND PROPHYLAXIS

See below a list of pharmacies which provide a malaria advice service to Adults.

To access this service please telephone the pharmacy of your choice to make an appointment.

The pharmacies will **NOT** charge a private prescription fee (currently £15) they will however charge for the tablets.

You might find it useful to visit www.fitfortravel.nhs.uk prior to your appointment so that you can familiarise yourself with the risk areas and types of preventative treatment.
